

In 2001 Inclined to Sing began offering children to opportunity to sing and perform quality music. Rehearsals are child-centered, fun, and filled with learning about singing and performing. Children who love to sing have found this musical outlet to be enriching, exciting, and fun.

In its twenty-year history, Inclined to Sing has performed with the Johnstown Symphony Orchestra and River City Brass. Local concerts include the Tenth Anniversary of Flight 93, Caroling at Central Park Gazebo, and singing the National Anthem for the Johnstown Tomahawks and the Altoona Curve.

What a great time to join Inclined to Sing with concerts and featured performances with the JSO at the Pasquerilla Performing Arts Center.

Singers from grade 1 through grade 9 are welcome. Two levels provide age appropriate music and learning for kids who love music and singing.

Rehearsals are Tuesday afternoons -

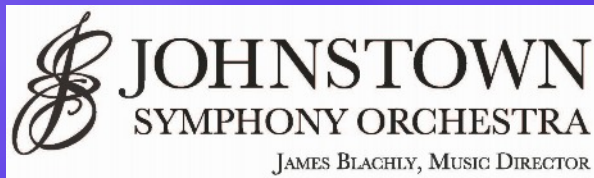

5:00 p.m. - The Apprentice Choir - Grades 1-4

6:00 p.m. - Inclined to Sing - Grades 5-9
